Contract of Enrolment – ACG schools and colleges registered as Private Training Establishments (PTEs)

Enrolment is subject to availability of places within the School/College. If the School/College reserves a place for a student and offers enrolment, then subject to payment, this Contract of Enrolment is binding as a contract on the School/College and the student. This Contract of Enrolment will incorporate the statutory terms summarised in this application form under the heading 'Summary of terms implied by statute' (Statutory Terms). This Contract of Enrolment shall be governed by and construed in accordance with the laws of New Zealand.

Payment of Fees

- All fees must be paid in full prior to course commencement.
- Places are not guaranteed until the tuition fees have been paid in full.
- No student shall continue to be enrolled unless the appropriate tuition fees have been paid.
- Up to 25% of tuition fees relate to pre-arrival services such as interpreting and translation, assistance with formalities relating to immigration procedures, travel to, and accommodation in New Zealand, and marketing recruitment costs. These fees will be retained by the School/College.
- Payments may be made in New Zealand Dollars or US Dollars to the bank account, or by cash/bank cheque. Bank drafts and telegraphic transfers or cheques should be to the credit of the ACG Student Fees Trust Account. The student's name and identification number must be entered on the document and quoted by the remitting bank.
- When payments are made by telegraphic transfer, the bank charges are debited to the student.
- On receipt of a payment in US Dollars, the student will be credited with the NZ Dollars equivalent amount based on the prevailing ANZ Bank Telegraphic Transfer exchange rate, less any bank charges. Any deficit arising from a fluctuation in exchange rates must be met by students upon their arrival. Any surplus shall be held on behalf of the student as a credit towards future tuition and other fees.

- A request to pay the course fees in instalments may be approved by the ACG Registrar (in his or her sole discretion). This will attract an additional payment equivalent to 6 percent of the course fee. Applicants should be aware this may impact on the length of the student visa granted by Immigration New Zealand.

Refund Policies

Tuition Fees

- Up to 25% of tuition fees may relate to costs incurred through pre-arrival services, such as interpreting and translation, assistance with formalities relating to immigration procedures, travel to, and accommodation in New Zealand and marketing recruitment costs. Where stated, these fees will be retained by the School/College.
- Subject to the terms of the Education Act 1989, a full or partial refund of fees may be payable by ACG (on application by the student) in the following circumstances:
 - the repayment of excess prepaid fees, either:
 - at the end of their final course; or
 - before the end of the course, if the student is in his or her final programme, all tuition fees have been paid, the student is over 18 and all School/College guaranteed accommodation has been prepaid.
 - if the School/College withdraws an Offer of Place, or is unable to provide the course (including if the School/College ceases to be a signatory or provider (as those terms are defined in the Education Act 1989)), all tuition fees are fully refundable.
 - if a Conditional Offer of Place is made and the academic condition is not met, tuition fees are refundable less any costs incurred by the School/College prior to the School/College becoming aware of the academic condition not being met.
 - where an Offer of Place was made and the visa application declined by Immigration New Zealand, tuition fees are refundable less any costs incurred by the School/College prior to the School/College becoming aware of the visa not being granted.
 - a notice of withdrawal due to exceptional circumstances may, at the sole discretion of the ACG Registrar, be accepted as grounds for a refund of tuition fees. The ACG Registrar may require documentary evidence in support of the application for the refund, and a refund may not be made if the written notice of withdrawal is unreasonably delayed. Exceptional circumstances may include: inability to obtain a student visa; serious illness or disability of the student; death of a student or close family member (parent, sibling, spouse or child); and, political, civil or natural event that prevents arrival of the student. In the event of a withdrawal from a course/s 10 or more working days after course commencement, the School/College will deduct any fees which have been paid or incurred by the School/College or other representatives (including the student's representative/agent fees). The cost of any additional services that were completed prior to withdrawal will also be retained.
 - if a notice of cancellation/withdrawal is made in writing to the ACG Registrar, the percentage of fees payable as a refund will be calculated in accordance with the following table:

Delay to the start date or the cancellation of a cookery programme placement may incur penalties.

Students are able to secure a place in a cookery programme by paying their tuition fees in full within 30 days of an unconditional offer being provided. If a student at a later stage requests to delay their start date they must write to the ACG Registrar with reasons to obtain support for the delay. A delay may also require a change of a student visa. The penalties may be applied at the discretion of the ACG Registrar if we are unable to fill the space reserved for you. The penalties will be:

- A change received in the last 10 days before course commencement – an additional charge equivalent to 10 percent of the quoted tuition cost will apply.
- A change received within the first 3 days after the advertised course commencement date - an additional charge equivalent to 15 percent of the quoted tuition cost will apply.
- A change requested within the first 4 to 10 days after the advertised course commencement date - an additional charge equivalent to 20 percent of the quoted tuition cost will apply.

Other Fees

- Accommodation fee refunds will be made after a student ceases Homestay accommodation following deduction of any fees or expenses owing in respect of accommodation and on release of ACG from any guarantee it has given to Immigration New Zealand.
- Living expenses held when a student leaves ACG may be refunded following a full reconciliation of that student's living expenses.

No Refunds

- The School/College will not refund the tuition fees of any student whose Offer of Place is withdrawn through the supplying of incorrect and / or fraudulent documentation.
- The School/College will not refund the tuition fees of any student who is removed from the School/College roll through non-attendance and/or is expelled by the School/College Board.
- Any excess fees or other funds that remain unclaimed for a period of one year or more from the end of a student's final programme will be forfeited.

Payment of Refunds

- Refunds will be made by bank draft / telegraphic transfer in New Zealand Dollars or foreign currency equivalent at the time of the refund.
- The bank draft / telegraphic transfer will be made out to the student and sent to the student's home country address, unless other arrangements have been approved by the ACG Registrar. This is usually within 10 working days of an application for a refund being received and the correct bank account information being provided.
