	F	S	S	M	T	W	T	F
Intro to 3D Animation								
Intro to InDesign								
Intro to Video Content Creation								

WELCOME TO 2019!

It's holiday time again at Yoobee School of Design, and we are putting on a great selection of courses designed with you in mind.

For first timers, there's a load to choose from, and for those of you who have been before, we've added some new courses and reworked a couple of our classics to keep up with these fast moving industries!

Have a look and find something fun to do these holidays! Be sure to get in quick as places are limited, and likely to sell out.

#YOOBEEHOLIDAY

SHARE YOUR WORK & PHOTOS. GET CREATIVE!

Post images of yourself, your work, your tutors, or anything else you think makes a great share with [#yoobeeholiday](#)

YOOBEE SCHOOL

Photography Techniques

2 Days | \$140 | 9am–3pm
Saturday 13th–Sunday 14th

S	S	M	T	W	T	F
S	S	M	T	W	T	F
S	S	M	T	W	T	F

Visualise your ideas

Learn the basics of photography, how to get the best out of your camera, lighting and environment. You will get to understand what composition to use to take a great photo. Then you are out in the field putting your theory into practice!

Software Used: Photoshop

Full-time Study Equivalent: Level 5 Diploma in Digital Design – Web & Graphic Design
Level 5 Diploma in Digital Design–Animation & Film Production

Game Art & Development

2 Days | \$140 | 9am–3pm
Saturday 13th–Sunday 14th

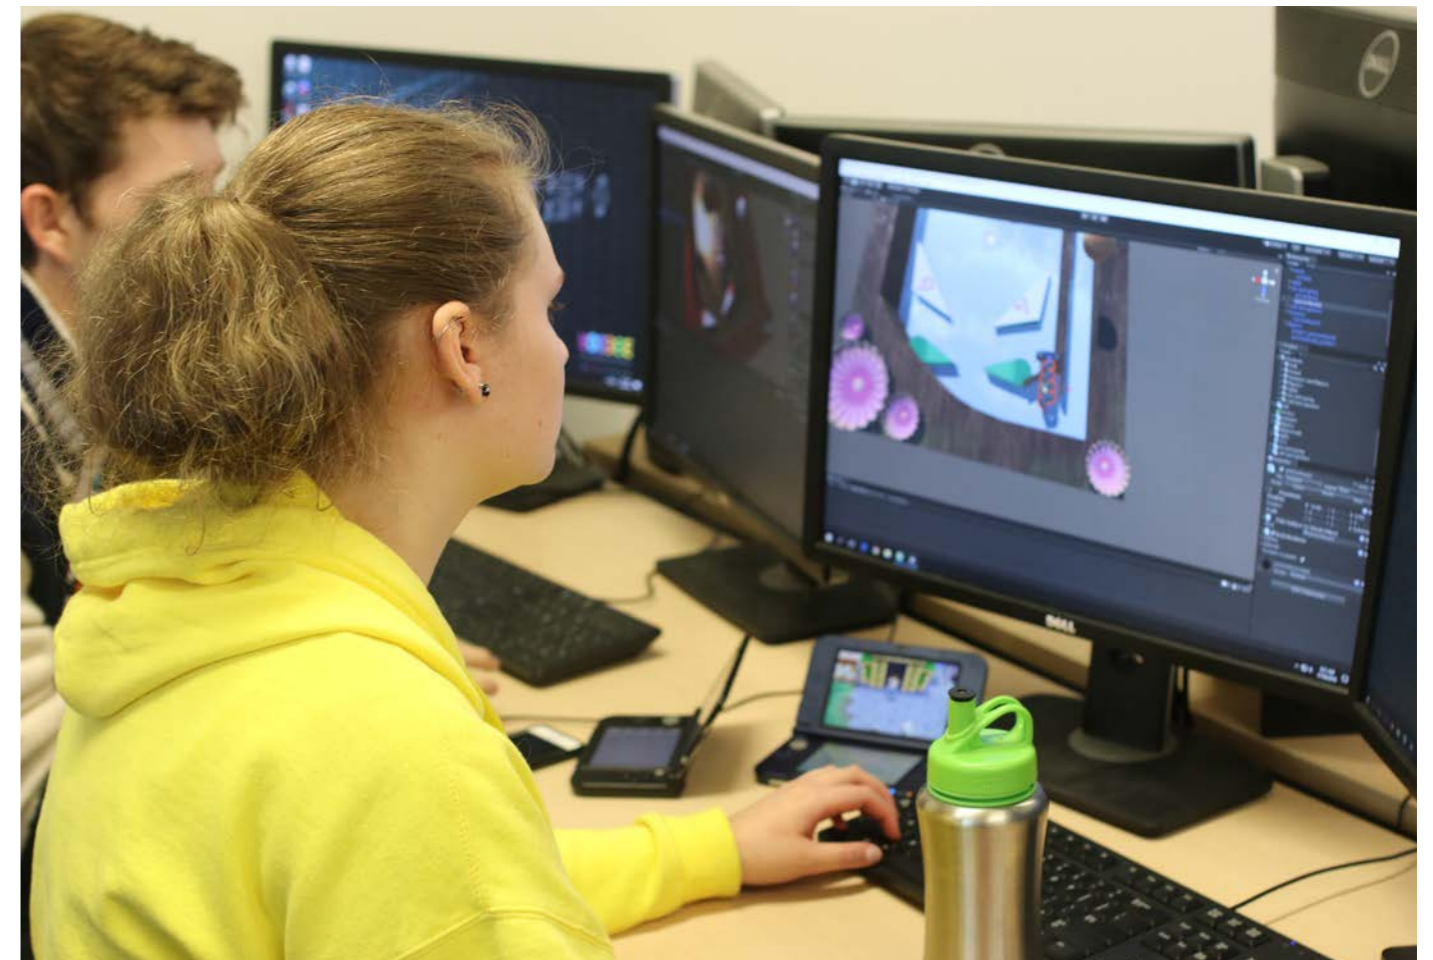

S	S	M	T	W	T	F
S	S	M	T	W	T	F
S	S	M	T	W	T	F

Your introduction to interactive design

One of the fastest growing industries, game design skills are sought after both locally and internationally. Get a feel for the process and personalise assets for your own game—from modeling and texturing, through to placing your content into a game engine environment.

Software Used: Maya & Unity

Full-time Study Equivalent: Level 5 Diploma in Digital Design–Animation & Film Production
Level 7 Diploma in Game Art & Development

Intro To Photoshop

2 Days | \$140 | 9am-3pm
Tuesday 16th - Wednesday 17th

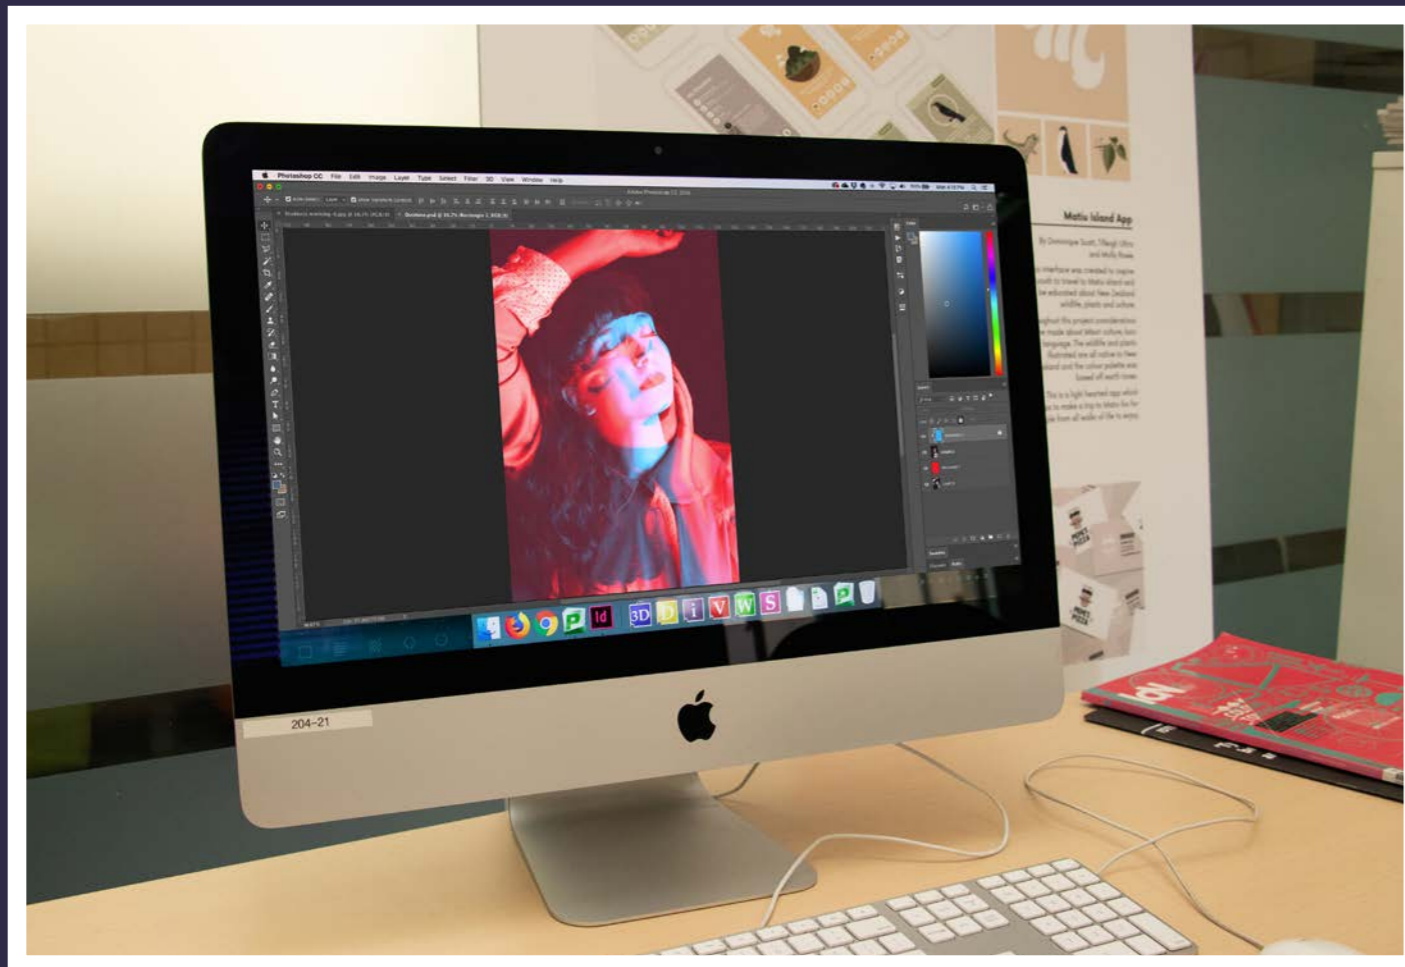

S	S	M	T	W	T	F
S	S	M	T	W	T	F
S	S	M	T	W	T	F

Take a sneak peek into the exciting world of Photoshop

Learn the many tools of Photoshop. Utilise simple editing and image manipulation techniques to create digital illustrations, manipulate photos, and apply effects to enhance your designs.

Software Used: Photoshop

Full-time Study Equivalent: Level 5 Diploma in Digital Design-Web & Graphic Design
